Zanzibar Production conçoit et développe ses collections dans ses ateliers au **Pays Basque**. Nous disposons d'un atelier de **sérigraphie, sublimation** et **confection** sur plus de 1000 m². Nous mettons tous nos efforts à intégrer une partie ou en totalité la **production** en France pour gagner en souplesse en qualité, et pour un meilleur partage des ressources économiques .

Visitez nos ateliers sur zanzibar.fr et découvrir nos machines de confection et d'impression.

Tous nos produits sont étiquetés du label impression ou confection en fonction de la nature de la prestation.
